CVS DEDICATES NEW SPORTS COMPLEX

Friday was a day of "firsts" for the Caney Valley School District.

It was the first time that the Trojan football team got to play on the new football field, which is part of the L.D. Williams Sports Complex.

And because of the stadium, it was the first time the entire student body in the Caney Valley District was gathered together for a single event.

Everyone was pleased.

"It's wonderful," said Supt. Virginia Webb. "I don't think some of these students realized just how many students there are in this district."

The students nearly filled the new home bleachers Friday morning, and actively participated in a pep rally--complete with band and cheerleaders.

On Friday night, about 2,500 people came to watch the Trojans meet Barnsdall in the second football game of the season. Pre-game festivities included live music and the dedication of the facility.

Mrs. Webb was right. It was wonderful.

ALICE BESETT RICE MEMORIAL ESTABLISHED

The Caney Valley Board of Education gratefully accepted a gift from Mr. Frank Rice of Bartlesville enabling the establishment of the Alice Besett Rice Memorial Science Laboratory on the Ramona Campus of Caney Valley Public Schools. An annual award will also be installed to honor an outstanding Caney Valley Science student each year on a plaque located above the 1916 Graduating Class Picture in the hallway of the main building of the Ramona Campus. Mr. Rice's donation will be used to install laboratory tables in the new Science facility built last spring. A memorial plaque was installed on the exterior of the lab designating the dedication of the memorial.

From the Class of '87

Life gets so confusing, and sometimes it's so very hard to understand.
We're growing up so fast!
We often think: "What's it all about?"
Things around us are changing so quickly and time seems to be flying by.
We look around and see that we are all becoming different people.
We are all going in separate directions.
Sometimes, we have to stop and wonder — "Why?"
Sometimes, it gets so scary that we want to run away.
Yet, we know that things will fit together — some time, some how, some day.

We the class of '87, say farewell, good luck to our underclassmen, and thank you to all who have helped us along through this first chapter of our lives.

We sincerely hope that we have left a lasting impression at Caney Village.

Remember always that we have very special memories of our time with you.
